

TBLA Service Awards

The inaugural service/recognition awards were presented at the TBLA LawFest on March 31, 2001. These awards were instituted to recognize the significant contributions that TBLA members have made to the citizens and the legal community of Thunder Bay. The individuals honoured with these awards have spent countless hours of their time, and their expertise with many worthy volunteer organizations, such as the Children's Centre, the United Way, the Rotary Club, and many more. They have also participated in professional organizations such as the Advocate's Society, Ontario Bar Association, Criminal Lawyers Association, Lawyers Feed the Hungry and our own Thunder Bay Law Association to provide leadership, educational training, and collegiality for the local bar. These individuals, along with many other TBLA members, continue to provide countless volunteer hours for the benefit of everyone in the Thunder Bay community.
